# FLIGHT CLUB

## *Story*

From the beginning, Flight Club was more than just darts. It was about bringing people together—to celebrate, challenge each other, and create stories worth remembering.

Our British founders knew that to build something truly special, it had to be made with guests and for guests. For years, they worked hand-in-hand with both patrons and experts, listening, testing, and refining every detail of the Social Darts® experience. This dedication evolved a simple idea into a global phenomenon—from the first Flight Club in Shoreditch, London in 2015, to all four corners of the US, across the UK, Australia and Ireland.

Flight Club Chicago was the first North American venue, opening in 2018, and since then the brand has grown to all four corners of the US, as well as across the UK, Australia and Ireland. At Flight Club we don't just host games, we bring people together because we believe the best times are those shared with friends.
